

Dear Parents,

For reasons of security the Governing Body has decided to implement a new debit card (no cash) system in our tuckshop with effect from Monday the 19th of July 2010 (third term). It works on the basis of each child purchasing a "debit card" type card which will enable them to purchase items from the tuckshop without having to use cash. Parents will be able to transfer money via the Internet into a tuckshop account or pay cash to the class teacher. Your child will then be able to purchase items from the tuckshop until the credit has been depleted. The tuckshop will be closed from Tuesday, the 13th of July to Friday, the 16th of July. The tuckshop will open using the new system from Monday the 19th of July 2010.

The system will operate as follows:

1. Parent deposits an amount into the following standard bank account:
Account Number: 023779322
Branch Code: 012442
Type of Account: Savings
This is a separate account and is only used for the tuckshop – all other monetary deposits are still to be made to the normal school account.
2. Each child will be issued with an admission number. When depositing money into the tuckshop account you will be required to use the admission number, child's surname, name and class code as reference. If you have more than one child in the school, you will be required to make separate deposits for each child.
3. Your child's admission number is linked to his / her photograph on the system, therefore it shouldn't be used by anyone else.
4. **No tuck may be ordered and paid for on the same day.** The child's account must have been credited in advance. **Payment** can either be made monthly or bi-weekly via the Internet or in cash to the class teacher. For obvious reasons, it is the responsibility of the parent to keep the card "topped up".
5. To register your child for the "new system" you will be required to pay R40,00 to the class teacher before the card will be issued. This is for the processing of the cards, software etc. Cards will be issued during the week of the 13th to the 16th of July 2010. All cards come with a lanyard.
6. A monthly card fee of R6,00 will be charged. No card fee is charged for the month if the card has not been used in that specific month.
7. The parent is able to determine a daily limit, we would suggest an amount of R30,00.
8. To replace a lost / damaged card a fee of R50,00 will be charged
9. It is the child's responsibility to ensure that this card is kept safe and not shared amongst friends. The school will not be held liable for any loss.
10. Children who have been registered for the tuckshop will receive a tuckshop card (similar to a bank card) which will be used for purchases. This card works like a debit card, therefore tuck can only be ordered if the child's card has been credited.

11. To order food for first break: All children (gr.R to gr.7) to complete the tuckshop order form.
No form – no tuck!! All details must be completed on the form and extra items which DO NOT appear on the tuckshop price list may NOT be ordered. The order will be processed using the child's admission number on the form. This form must be given to the registered class teacher between **07:30 and 07:45.**
12. Initially we will be opening the tuckshop every Wednesday at second break and children will be able to go directly to the tuckshop to buy items such as crisps, cold drinks etc. – no hot food. They will be required to 'swipe' their card to process this transaction.
13. Please complete the tear off slip and send in the R40,00 to your child's class teacher if you would like to register your child for the tuckshop system.
14. The tuckshop will be a cash free zone. No child will be allowed to order / buy from the tuckshop without a valid card and without there being "credit" available on his / her card.

Thanking you,

Governing Body
